Happy March!

Welcome the freshness of spring by adding a burst of creativity to your season! Our upcoming art classes offer a fun and relaxing way to celebrate new beginnings—paint a decorative glass to brighten your table, explore the playful textures of foam and gel printing, or create a stunning acrylic pour on wood that captures the vibrant colors of spring. Whether you're looking to unwind, try something new, or simply enjoy the company of others, these hands-on classes are a wonderful way to embrace the energy of the season and let your creativity bloom.

To help bring more creative ideas to life, we're seeking the following donations:

- Moss
- Sea Glass
- Gelli art gel printing plates
- Rubber roller brayers
- Block printing ink

Get inspired, get involved, and join our vibrant art community!

With joy,

Caryn, Kim, and Anne

Your Happy Art Coordinators
